

**REMARKS**

Applicants filed a preliminary amendment with a Request for Continued Examination on October 30, 2007. A Notice of Non-Compliant Amendment was mailed November 2, 2007 alleging the listing of claims in the preliminary amendment did not include the text of all pending claims, including withdrawn claims.

Applicants provide herewith a listing of claims to overcome the non-compliance.

Applicants do not believe any fees are due. However, please charge any additional fees that may be needed, and credit any overpayment, to our Deposit Account No. 50-0320.

In view of the foregoing amendments and remarks, it is believed that all of the claims in this application are patentable and Applicant respectfully requests early passage to issue of the present application.

Respectfully submitted,
